HISTORY A small group of model aircraft enthusiasts departed the McDonnell Douglas Flying site and started their own flying site around 1962. In 1965 the club was chartered with the AMA and has since continued to grow in size and popularity. 1990 brought the Club the AMA's highest award – The Award of Excellence. The Spirits also maintain status as an AMA Gold Level Leader Club. The Spirits remain a positive influence for modeling in the St. Louis Metro area and continue to organize and host many model aircraft events annually. Additionally, our members participate in numerous events and competitions across the United States. Spirits' activities include flying demonstrations, Scouting programs, schools, and civic events.

ACTIVITIES Annually the Spirits host a large number of events that include Heli-Fun Flies, Electric and Scale Fly-Ins, Four Star 40 and Warbird air races, and our annual Open House on the last Saturday in September. All events are open to current AMA members, who are in good standing with the Spirits. See our website for our current calendar of events.

FLIGHT TRAINING Spirits offers introductory flights and flight instruction for those individuals wanting to get into the hobby. The program is self-paced and taught by experienced RC Instructor Pilot volunteers. There is no charge for the program, however you must be an AMA and current Club member to receive ongoing instruction. Each

year our instructors help students from 8 to 80 learn how to fly and enjoy our hobby.

FLYING SITE The Spirits' field is ~12 acres of fun

surrounded by farm fields and blue skies. Our amenities include a 600' asphalt runway, paved taxiways, a 24' x 36' pavilion with ceiling fans, runup tables, picnic tables, helipad, electricity along the flight line, gravel parking lot and restroom. The grass is commercially mowed to a height suitable for most planes. From micro to GIANT scale; airplane, helicopter, control line or sailplane, electric, nitro or gas, Spirits of St. Louis R/C Flying Club, Inc. is the Best Flying Site in the area.

Check out our club activities by viewing our newsletter "Flightlines" on our website.
